DECISION ACCORDING STATUS
UNDER 37 CFR 1.47(a) AND
REQUIREMENT OF
SUPPLEMENTAL DECLARATION

This is in response to the "Request for Reconsideration" filed March 9, 1998.

The petition is granted.

Petitioner has now supplied an acceptable declaration under 37 CFR 1.64.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

However, it is noted that the declaration contains a typographical error in the post office and residence address of the non-signing inventor (Liechtenstein is missing a "c"). Accordingly, a supplemental declaration is required, correcting the typographical error, before issuance of the application as a patent or any earlier time required by the examiner.

As provided in Rule 1.47(a), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the Declaration. Notice of the filing of this application will also be published in the Official Gazette.

The Power of Assignee, filed January 5, 1998, is considered proper for an application filed under 37 CFR 1.47(a).

After mailing this decision, the above-identified application will be forwarded to Group Art Unit 2505 for further processing.

Telephone inquiries regarding this decision should be directed to the undersigned at (703)306-3159.
